

ANNUAL REPORT

At M L Convent School it is this curiosity that we passionately hope to ignite that lead to learning, growth and self- development and that's what gives us the ambition of marching forward till excellence is achieved in all our endeavors.

This Annual report is comprised of the achievements made during the year gone by and at the same time set the path for greater accomplishments in the years to come.

Every year our students strive to break the barriers and attain glory in every sphere of school life. This year too, our quest for excellence saw students bring in multiple accolades in **academic, cultural, and sporting** outcomes, and a variety of extra –curricular activities.

Achieving academic excellence is at the heart of every educator at M L Convent. It is indeed a gratifying experience, to see the brilliant performance of our students across the school.

The **CBSE Board results** for the year **2018-19** speak volumes of the performance of our school students. Our batch of grade **10 &12** students, made us proud with most of them in the merit list scoring above **90%**. With students demonstrating high academic success in previous years, the school is geared up to sustain and improve performance every year.

Our students also made us proud by their winning performance at **Hindi, Science and Maths Olympiad** organized by **Silver Zone**.

Co-Scholastic activities and academics, complement each other and develop a well- rounded, socially skilled and healthier students. At our school co-curricular activity yearly plan is designed to complement academics and provide students with various platforms to showcase their efforts and talent.

Sports develop self – esteem, help manage emotions, inculcates discipline, improves social skills along with leadership skills and teamwork. We have renewed our focus on sports with a planned approach that includes identifying talent, enhanced professional coaching and providing the students with opportunities to compete and win.

Holistic education is an inspirable part of our curriculum. Experiential learning develops interest and provides the students with a platform outside the normal classroom setting. This year our students also gone through different carrier counseling programs and our teachers also attended different **capacity building programs organized by CBSE**.

Empathy is key part of being a responsible and helpful community member at school and beyond, children naturally have the capacity for empathy, but this needs to be nurtured and developed, which we are developing among students through our BSG programs.

M L Convent consist of **38** well trained, experienced and dedicated **teaching staff**, **02 administrative staff** and **14 supporting staff**. Staying updated is the key to success in any field especially in the field of education. Our teachers including our Principal constantly strive to stay updated by attending workshops and various training programs. We are also immensely proud to inform that this year we also hosted "**Hindi Workshop**" based on new curriculum of **CBSE**. This year a health camp for students and teachers was also organized in the school.

Keeping in mind the norms of CBSE our school is having proper infrastructure with proper playground. Apart from building we are also having rain water harvesting and solar panel to save energy. For greening our campus we organize '**Plantation Day**' on **15 July** and plant huge number of saplings every year. Towards the end, I thank the supportive management whose continuous support to our ideology of education has enabled the school to come this far. Teachers and the entire staff members also deserve applause for their tireless efforts in implementing the route map of imparting quality education here. I also extend my heartfelt thanks to the parents of our students who have shown unflinching faith in us by giving us the profound opportunity to transforms their children into truly useful citizens of the future world.
